Mission Statement

Central Baptist College, is committed to transforming lives through education that integrates Christian faith and academic excellence in a Christ-centered environment.

Non-Discrimination Statement

Central Baptist College does not discriminate on the basis of race, color, national origin, sex, disability, or age in its programs, activities, or hiring processes. Inquiries regarding the non-discrimination policy should be directed to: Director of Human Resources, Human Resources Department, Watkins Academic Building, 1501 College Ave., Conway, AR 72034; 501.205.8813.

History of Central Baptist College

Early Beginnings

Central Baptist College is a privately owned institution operated by the Baptist Missionary Association of Arkansas – a group of approximately four hundred cooperating Baptist churches. Central Baptist College first opened its doors under its present ownership in September 1952. At that time, it was known as Central College for Christian Workers. Soon thereafter the name was changed to Conway Baptist College, only to be renamed Central Baptist College a few years later.

Growth

During its short history the college has experienced considerable change. Since 1952, enrollment has grown from 23 students to over 800; the faculty from 5 to 100+. Library holdings have multiplied dramatically and campus buildings have more than doubled.

Philosophy

The thrust of present-day educational philosophy is education of the whole person. A learned individual has achieved physical, mental, social, and spiritual maturity. Central Baptist College accepts that philosophy, but holds to the conviction that spiritual development should be given much more attention than it receives in many institutions of higher learning. Central believes that spiritual experiences and attitudes markedly affect physical, mental, and social development and that faith in the God of the Bible is necessary to meet daily experiences and responsibilities. Students dedicated to Christian principles as well as to academic excellence are the type of students that comprise Central Baptist College.

Note from the President

Welcome to Central Baptist College!

We have anxiously awaited your arrival all summer and anticipate another great year ahead. We are really excited about all of our new students and the return of those who have already experienced the many blessings associated with being a student at CBC. It is our prayer that you will take full advantage of the opportunities found here and engage in as many programs and activities as possible without losing sight of the ultimate goal of obtaining an education provided by our faculty.

We want you to know there will be many chances to get involved, both in leadership and team member roles both on and off campus. I truly believe that the involvement you have with extra-curricular activities will provide an undergraduate experience that will not be easily forgotten.

Keep in mind that Student Services is here to make your campus experience as enjoyable as possible. They are absolutely committed to providing a wide variety of programs and activities that are designed with you in mind aiding in social, emotional, and spiritual growth.

Do spend time becoming familiar with this student handbook. In it you will find the expectations of students at CBC as well as the answers to most questions you may have. However, if at any time you have any question at all, please feel free to stop by the Student Services Office.

Terry Kimbrow
President

Accountability and Responsibility Statement

Central Baptist College reserves the right to add, delete, or modify any program, regulation, or policy in this student handbook at any time during the period it is in effect. The proper authorities of Central Baptist College will determine effective dates of changes, and students will be properly notified of any changes in policy. Other policies can also be found in the Catalog located on the Central Baptist College website at **cbc.edu**.

Attendance at CBC is totally voluntary, and a student may withdraw from the College at any time that he/she feels that the obligations are disproportionate to the benefits.

The Central Baptist College Student Handbook is approved annually by the Central Baptist College Board of Trustees.

The Central Baptist College community is intended to be a family bound together by mutual interests and values. Its educational philosophy, moral standards, and academic goals are distinctly Christian. In describing the College's standards of conduct, Central Baptist College recognizes that its students are becoming young adults and must have ample opportunity to make decisions that will aid their development and growth. At the same time, Central Baptist College emphasizes the importance of being obedient to the commands and principles of the Word of God, the Bible.

Almost all standards of conduct are based on scriptural commands or principles. The remaining standards are based upon generally accepted traditions for this area of the nation. Sometimes, traditions change. However, the standards advocated this year are selected based on the short and long-term impact of their adherence. Central Baptist College does not want to jeopardize the integrity, reputation, or opinion of this institution or its supporters by allowing students to practice actions that at this time and in this area of the nation could be interpreted in a negative fashion.

It's a Student's Choice

Each student who becomes a part of Central Baptist College does so voluntarily. By enrolling at Central Baptist College each student agrees to abide by the college's policies and regulations. This handbook serves as the notification to the student that he/she is subject to disciplinary action by the college upon violation of the policies or regulations. Such disciplinary action may include *Suspension or **Expulsion.

**Suspension is defined as a temporary revocation or interruption of a privilege.*

***Expulsion is defined as the act of removing a student from the institution for a violation of rules.*

Student Responsibility

With greater freedom comes greater responsibility. It is the responsibility of each student to be knowledgeable of and to abide by the published policies and regulations of the College. All such guidelines are effective at any time a student is enrolled in Central Baptist College including holidays, semester breaks, and summers. When a student leaves campus, he or she is still associated with the institution. Students are expected to conduct themselves according to Christian principles and standards on and off campus. Additionally, students are responsible for their guests and must ensure all guests comply with the College standards while on campus.

Student Conduct

Central Baptist College standards of conduct are set forth in writing in order to give students notice of prohibited conduct. **The standards of conduct should be read broadly and are not designed to define conduct in exhaustive terms.** There may be some situations, other than those stated separately in this handbook, which will warrant disciplinary action. Additionally, students who persist in conduct that may be less serious than violations listed above but would eventually serve to discredit the institution and/or her students will warrant disciplinary action. Therefore, in order to provide a structure that allows for social order and unity while protecting individual rights, privileges, and freedoms, in addition to scriptural and legal standards, CBC has adopted the following policies and standards of conduct.

Policies

Alcohol

Central Baptist College is an alcohol-free campus. Use, possession (including empty cans), and distribution of alcoholic beverages or public intoxication are not acceptable behaviors, whether on or off campus. Non-alcoholic beverages that have the appearance of alcoholic beverages are also not allowed and will be considered to be an alcoholic beverage. Posters, t-shirts, or any other items that promote alcohol are not allowed on campus. Parents or Guardians of all students who violate the policy may be notified. Students who violate this policy may be required to have a meeting with the Campus Chaplain and parents/guardians in addition to any other sanctions.

Appearance

CBC students are to appear in public modestly dressed and neatly groomed, and will avoid wearing clothing that is provocative, or calls undue attention to themselves. All messages and logos on clothing must be in good taste. Posters, t-shirts, or any other items that promote drug use are not allowed on campus. In their dress, as in their behavior, CBC students are expected to reflect the marks of educated, cultured, and mature Christians as determined by the Dean of Students.

Specific guidelines include: midriiffs and backs should be covered at all times; undergarments (including sports bras) should never be seen; shoes and shirts, along with other articles of clothing necessary for modesty, are required to be worn in all public buildings and areas; shorts must reach fingertips when standing, all shirts must have sleeves; leggings may only be worn with a shirt that reaches fingertips when standing, no head coverings should be worn in chapel.

Faculty and staff will determine what attire is appropriate for their classes or specific events, and students are expected to comply.

Bicycles

Bicycles must be kept in designated areas on campus and are not to be ridden on sidewalks. Students must provide their own lock and chain that should be used at all times. Bicycles are not allowed in any campus building except the residence halls. Residents must keep their bikes in their room or on the bike rack outside of the residence hall.

Bomb Threat

Making a bomb threat by word of mouth, e-mail, text, phone call or by any other means is prohibited and as such, violations of this policy will result in immediate suspension without the right to appeal.

Campus Safety and Security Equipment

Misuse or tampering with any fire pull station, smoke detector, fire extinguishers, security camera, area of rescue, or other electrical equipment, such as switches in the breaker boxes is prohibited. Additionally, any Emergency Exit door alarm or AED alarm should not be activated unless there is a true emergency. Students must not pull excessively or strive to open locked or secured doors. Anyone found guilty of misusing a campus safety device could face administrative hearing procedures and sanctions of a level 2 or level 3 offense at the discretion of the Dean of Students.

Candles and Incense

Burning candles and incense is not allowed. Candles may be used as decoration or for fragrance as long as the wick has never been burned. Additionally, lighter fluid should not be stored in any resident's room.

Chapel

Chapel services are provided to promote the Christian ideals of Central Baptist College and personal spiritual growth through testimony, preaching, and music. Each chapel service is designed to glorify God, foster the Christian community, and provide biblical direction for daily living.

Chapel Attendance

THERE IS NO APPEAL PROCESS FOR CHAPEL

Chapel is mandatory for all full time (12 or more hours,) on-campus and commuting students. (If a student is taking 11 or fewer hours per semester, they are exempt from chapel. No exemption paperwork is needed). The services are held each Wednesday from 1:00-1:50 p.m. in the Burgess Auditorium.

Students are required to attend 11 chapel services per semester. Should a personal or family tragedy occur which requires prolonged absence from classes and chapel, the Dean of Students should be contacted. In cases of severe personal illness, surgery, or therapies, a doctor's note outlining the dates of treatment will be required to be excused. Absences due to College-related functions are excused. A Student ID is required to attend chapel. ID readers are positioned at each chapel door to ensure a student is present during chapel. Those readers are activated from 12:45 PM until 1:15 PM each Wednesday during chapel. Before or after that time, the ID will not be recognized. Students who arrive after 1:15 PM will be counted absent.

Students who only attend 10 chapel services will be fined \$50. Those who only attend 9 chapel services will be fined \$100. Students who attend 8 chapel services or fewer will be placed in the Chapel Renewal program the following semester and will lose all institutional aid (i.e. academic scholarships, athletic scholarships, minister's discount, music scholarships, and transfer scholarships). All institutional aid will be awarded back to the student upon completion of the Chapel Renewal program. Students can only use the Chapel Renewal program to satisfy Chapel requirements once before being suspended from CBC. If a student does not complete the chapel renewal program, the student will be suspended from college for one semester. If the student's intention is to not return to Central Baptist College, and the Chapel requirement has not been met, the student will receive a \$250 fine.

The Chapel Renewal program requires students complete the 11 required chapels in the current semester, and submit three book reviews. To successfully complete the Chapel Renewal Program, students must read three books from the approved book list, given by the Associate Vice President for Student Services, and write a 4-5 page book review (double-spaced, Times New Roman, 12 pt. font, MLA format) for each book. The Associate Vice President for Student Services will send a letter with the rubric and deadlines for each book review prior to the first day of classes.

Students must complete a chapel requirement for each semester they are enrolled at CBC in order to graduate, but no more than 8 are required.

Chapel Etiquette

The following will result in a student being counted absent:

- Excessive talking
- Hats, visors, hoods, or any other head covering being worn by males or females
- The use of IPOD/MP3 player, PDA, or any other electronic device
- A cell phone being ON (ringing, vibrating, lighting up, text messaging)
- Sleeping or the appearance of sleeping

Chapel Exemptions

Exemptions will be granted ONLY IF:

- the student works 40 hours a week in addition to taking classes
- the student only has class on Tuesday and Thursday
- the Dean of Students determines a student's rare circumstances limits his/her ability to attend chapel
- the student has completed 8 semesters at CBC

Students who meet any of these requirements, must fill out a Chapel Exemption Request form and return it to Dean of Students before the last day of the drop/add period. These requests must be submitted each semester.

Students receiving an exemption from Chapel (**excluding those students who have completed 8 semesters at CBC**) must complete 11 sermon summaries or pay a \$250 fine before the last chapel service to prevent a hold from being place on their account.

Students are required to attend chapel the semester they are to graduate. If a student chooses not to attend they cannot be placed in chapel renewal because they are graduating, instead they will receive a \$250 fine which MUST be paid before their diploma or transcript will be released.

Closed Campus Policy

In attempt to keep unwanted guests off campus during quiet hours, the Central Baptist College campus is closed between the hours of 12:00 a.m. (midnight) and 6:30 a.m. This means that the campus should be clear and quiet between these hours. Activity on campus is to cease during these hours. This applies to students living on-campus, commuters, and visitors. In circumstances where residents need to leave campus during these hours, the appropriate Resident Assistants must be notified and give prior approval. Otherwise, residents should remain inside the residence hall during these hours.

Should extended hours be granted by the Executive Leadership Team during the week of finals, students will be notified through their CBC email account.

Closed Gym Hours Policy

At times, it is necessary for the gym to be closed to the outside public as well as students. Athletic practices in the A.R. Reddin fieldhouse are closed practices. Only players and coaches may be in the gym. Only the head coach or athletic trainer may grant permission to those not associated with the team.

Classes held in the A.R. Reddin Fieldhouse are closed to those not enrolled in the class.

The A.R. Reddin Fieldhouse, including the weight room, is not available for use without the supervision of a CBC employee.

Communicable Diseases

CBC reserves the right to restrict campus activities or access for any student who has been diagnosed as having a contagious or communicable disease or virus. It is assumed that all students are free of any such diseases or viruses, however; if any student knows or has reason to believe he/she may be infected, they must report this information immediately to the Student Health Clinic. Any restrictions and/or exclusions deemed necessary by the proper officials for the welfare of all students will be determined in light of the most current medical knowledge and in accordance with state and federal laws and guidelines.

In order to be complaint with CBC, state, or federal guidelines, students may be advised and/or required to leave campus and return home immediately upon notification of a communicable disease or virus. Students may also be required to obtain documentation from a Medical Doctor or be cleared through the CBC Student Health Clinic before they can return to campus.

Cursing/Profanity/Vulgarity (Language)

Obscene and abusive language, language considered offensive to public taste and campus moral standards, and language that is not characteristic of a follower of Christ is prohibited both on campus and at College sponsored activities, whether on or off campus.

NOTE: Please be aware that because of the varied backgrounds of the student body and CBC employees what is considered to be acceptable language to some may be considered offensive language to others

Dancing

Students and/or student organizations may not sponsor dances on or off campus.

Dead Week

No Recognized Student Organization may schedule activities on or off campus during finals. Additionally, there should be no Housing Programs or Intramurals during finals. Only Student Services and the Alumni Association may each schedule events during finals.

Students may take no action to intentionally damage, litter, deface, or destroy private or College property. Students may be required to pay replacement cost of damaged items which can include tax, shipping, labor costs, etc. if the College is required to pay those costs.

Drugs

Central Baptist College is a drug-free campus. Under no circumstances are students to use illegal drugs, misuse over-the-counter or prescription drugs, inhalants, or anything that causes a hallucination or “high” whether on or off campus. Consumption, possession, or transportation of illegal drugs will not be tolerated and will result in immediate suspension. Any known or suspected possession or use of illegal drugs will be reported to local law enforcement agencies. Parents or Guardians of all students who violate the policy may be notified. Any violation under this section will result in an immediate suspension from Central Baptist College, without the right to appeal. Failure to comply with the Dean of Student’s instruction to take a drug screening will result in an immediate suspension. Admission to using/misuse of any drug to a CBC employee or an arrest by law enforcement will be treated as a violation under this policy. In such situations, the Dean of Students may not order the student to take a drug screen.

Drug Free Workplace

Central Baptist College is a drug-free workplace. The unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is strictly forbidden. Since any breach of this policy would violate civil law and spiritual principle, students violating this policy could face immediate suspension. If needed, the College can make referrals regarding drug counseling, rehabilitation programs, or other assistance programs.

Entertainment

Students are expected to exercise careful judgment and use Scriptural standards when making choices about movies, video games, computer games, television, music, reading material, and off campus entertainment.

Harassment is an insidious practice which demeans individuals and creates unacceptable stress for the entire organization. Significant costs are involved. Morale is adversely affected. Sanctions, if any, will be determined on a case by case basis after a review of relevant information.

E. Statement of Confidentiality

Administrative Hearing Procedures for Level Two Offenses

- All administrative hearings shall be informal and strict rules of evidence shall not apply.
- The student(s) shall be notified, in writing, of the charge and of the date, time, and place of the hearing. When possible, a hearing will be scheduled within 10 working days after an incident occurs. However, factors such as holiday breaks, end of academic term, etc. may prevent the college from meeting this deadline. Written notice of hearing will be delivered to the student 24 hours prior to the hearing when possible. Upcoming holiday breaks or the end of an academic term may require that less notice be given.
- Disciplinary hearings are closed to the public.

The accused and the complainant have the right to:

- Be present at the hearing if deemed appropriate by the Dean of Students. If deemed necessary, that both parties attend and if either or both the accused and the complainant fail to appear at the hearing after being properly notified the decision will be rendered accordingly based upon the information in the violation by the Dean of Students. Present information by witness or by signed witness statement if a witness is unable to attend the hearing. It is the responsibility of the accused and the complainant to notify their witnesses of the date, time, and place of the hearing. If witnesses fail to appear, the hearing may be held in their absence.
- Bring an advisor to the hearing. However, legal counsel is not permitted. The advisor (who may be a college employee, friend, or family member) may not participate in examination of witnesses or presentation of materials or information. The advisor's role is limited to providing advice and consultation to the accused.
- Question all witnesses.

The Administrative Hearing Officer has the right to:

- Deny the right of appeal if the student fails to appear within 15 minutes of the arranged time for their hearing.
- Admit or deny admission to the hearing to any person who is not a party or potential witness.
- Where more than one accused student is involved, conduct one or separate hearings.
- Make their decision based on whether it is more likely than not that the accused student(s) violated Central Baptist College Standards.

An appeal may be submitted based on one or more of the following circumstances:

- Denial of due process (i.e. failure to follow standard procedures)
- New evidence or new information not considered when decision was rendered

In order to be considered, all appeal letters must be typed and (1) describe, **in detail**, how one of the above mentioned circumstances applies; and (2) must provide supporting evidence to the argument.

A disciplinary sanction is in effect during the appeals process unless otherwise stipulated. Students will be contacted by the person to whom they have appealed within 3 working days of receiving the appeal letter.

All students have the right to appeal any Level 2 offenses. All appeals must be submitted, in letter format, within 24 hours of the initial disciplinary sanction against them. The written appeal must be submitted to the Vice President for Advancement.

Student Services

Student Services seeks to develop, enrich, challenge, and educate in a Christ-centered environment through programs, activities, and services that promote campus involvement and positive relationships.

Campus Notification System

Through CBC Alert, students, faculty and staff will be able to receive time sensitive emergency messages via text and voice messages to cell phones and home phones, in addition to the existing avenues of e-mail, the Web page and news media and others. This system will enable the College to better inform the campus community of imminent danger situations. Participation in this system is not mandatory, but enrollment is strongly encouraged.

Concerning text messages, CBC Alert is a secure system and will not send advertising or spam to personal phones. Text messages will be sent through the system only in an emergency and for periodic testing.

To access or change your information in the CBC alert system, contact the Director of Campus Safety at cmitchell@cbc.edu.

Campus Safety

Central Baptist College hopes that all students have a safe and enjoyable experience while on campus. Following is a summary of the services Central Baptist College provides to promote a safe campus environment. However, safety is the primary responsibility of each community member.

Central Baptist College provides the following services to promote safety on campus:

- Computerized card access systems have been installed in both residence halls. All students living in the residence halls are issued a card that gives them access to their residence hall 24 hours a day, 7 days a week. These systems restrict non-residents access to the residence halls 24 hours a day.
- Residence hall fire drills are conducted at least once each semester and tornado drills once per year to educate students on proper procedures in case of fire or severe weather emergencies.
- CBC employs campus security officers through the Conway Police Department who work at key hours at night to patrol the campus. Campus security officers are authorized to stop and question any person(s).

Service Animals

Central Baptist College adheres to the Americans with Disabilities Act of 1990 (ADA) and its revised regulations regarding service animals. The ADA defines a service animal as a “dog that has been individually trained to do work or perform tasks for an individual with a disability The task(s) performed by the dog must be directly related to the person’s disability.” Further guidance states that “dogs whose sole function is to provide comfort or emotional support do not qualify as service animals under the ADA.”**

The ADA requires that service animals be under control of the handler at all times. The service animal must be harnessed, leashed, or tethered while in public places unless these devices interfere with the service animal’s work or the person’s disability prevents use of these devices. The handler is responsible for the care of the service animal,

including but not limited to feeding, grooming, and cleaning. A service animal considered “out of control” or not being controlled by the handler will be asked to be removed from the campus.

For more information about the ADA and service animals visit:

<https://www.ada.gov>

*https://www.ada.gov/regs2010/service_animal_qa.html

**https://www.ada.gov/service_animals_2010.htm

Additionally, the City of Conway has an ordinance requiring licensing and vaccinations of animals. The full ordinance can be found at <https://media.conwayarkansas.gov/conwayarkansas-media/archive/ordinances/2016/O-16-102.pdf>. Pages 10 and 11 of this document detail city licensing, tagging, and vaccination regulations. Students that will have a service animal on campus with them must adhere to this city ordinance and provide verification to the Disability Support Services Office.

Students requesting to have a service animal with them on the Central Baptist College campus must self-identify as having a disability with the Disability Support Services Office (see the “Disability Support Services” section of the Student Life Handbook on page 21) and provide current and appropriate documentation of a disability. When requesting to have a service animal, the following additional information must also be provided:

(1) Color photo of the service dog, (2) statement regarding the work or task the dog is trained to perform, (2) documentation of the certificate of training in accordance to ADA received by the dog to complete this work or task, and (3) verification of licensing and rabies vaccination that complies with Conway City Code cited above. Additionally, licensing and rabies vaccination paperwork will also be kept on file with the Dean of Students, and the Dean of Students will verify that proper tags for licensing and rabies vaccination are attached to the dog’s collar as per city code cited above. *Please note that contacting the Disability Support Services Office does not guarantee that a student will be approved to have a service animal on the Central Baptist College campus.*

Sex Offender Notification

A.C.A. §12-12-913(g)(4) states that “in accordance with guidelines promulgated by the Arkansas Higher Education Coordinating Board, the board of directors of an institution of higher education shall adopt a written policy regarding the distribution to students of information regarding a sex offender.”

Additionally, the Campus Sex Crimes Prevention Act (section 1601) and (42 U.S.C., 14071j and 20 U.S.C., 1092 (f) (1) (I)) is a federal law enacted on October 29, 2000 which provides for the tracking of convicted sex offenders enrolled at or employed by institutions of higher education. This federal law requires sex offenders who are required by law to register in a state, to also provide notice of each institution of higher education in that state where the person is employed, carries on a vocation, or is a student. This law further requires that institutions of higher education issue a statement advising the campus community of the availability of this information.

The Conway Police Department is responsible for notifying the Director of Campus Safety in the event that a level 3 or 4 registered sex offender is found to be living on or near campus, is employed by Central Baptist College, or is a student at Central Baptist College. The Conway Police Department will provide the Director of Campus Safety with the following information concerning the registered sex offender: Photograph; Age; Crimes they are accused of; History of other crimes

NOTE: The Conway Police Department will determine which registered sex offenders to notify Central Baptist College about and what information will be disseminated.

A Sex Offender Notification Letter and Notification Sheet will be released to persons deemed appropriate by the Executive Leadership Team. This information will be kept on file by the Director of Campus Safety. Individuals wishing to obtain additional information about registered sex offenders may go to the Arkansas Crime Information Center Sex Offender Registry web site at <http://www.acic.org/Registration/index.htm>.

Student Grievances

A student who believes he/she has a grievance may make his or her concerns known by:

1. Telling the person engaging in grievous conduct or communications that the conduct or communication is offensive and must stop.
2. If the issue is not resolved, the individual should immediately report the alleged act(s). This can be done by submitting a grievance report form, located at http://cbc.edu/current_students/student_grievance.aspx

All grievance report forms go directly to the Dean of Students. The Dean of Students will determine which type of grievance has occurred:

3. The Dean of Students will meet with the student to discuss the incident. The Dean will determine which type of grievance is alleged and how the grievance should be remedied.

Student-to-Student Grievance

- a. Non-Academic & not a violation of the handbook: The Dean of Students will act as mediator between the aggrieved and the offender.
- b. Harassment: The Dean of Students will treat all harassment cases as stated in the student handbook. Harassment is a level two offense and could be a level three if physical harm occurs. Title IX cases will be reported and investigated as stated in the student handbook. The aggrieved will be notified if the violation is found to be true and that sanctions are being assessed.

Student-to-Employee Grievance

- c. Academic: If a student has a grievance of an academic nature, the Dean of Students will refer the student to the Grade Appeal Policy.
 - d. Non-Academic: If a student has a grievance with an employee, the Dean of Students will forward the grievance form to the Director of Human Resources. The Director of Human Resources will notify the employee and the employee's supervisor that a grievance has been filed against the employee. The Director of Human Resources is responsible for determining if a policy has been violated.
4. The aggrieved person/ complainant will be asked to specifically outline the nature of the grievance. The person to whom the report is made will make a written report of the incident and the appropriate officials

will be notified. The alleged harasser will then be contacted by the appropriate official and informed of the seriousness of the allegation. The official will examine to see if a policy has been violated.

The alleged harasser will then be given an opportunity to respond to the allegation verbally and in writing. Interviews will be held with other students, employees or persons if they are named or if they are witnesses to, or knew or had reasons to know of, the alleged behavior or incident. Potential witnesses' knowledge or lack of knowledge of any events may be documented.

5. If the aggrieved finds that a resolution has not been made after completing the previously stated protocol, the aggrieved may file a formal grievance to the Grievance Committee. A student desiring to file a formal complaint to the Grievance Committee should submit in writing the following information: 1) the date of the grievance; 2) the nature of the grievance; 3) address the grievance to the Vice President for Finance 4) and all grievances must be signed by the student.

A confidential record of the grievance, including a detailed explanation of the action taken by the institution to resolve the grievance, along with the institution's final decision regarding the grievance will be logged and maintained by the President's Office.

Grievances from parents, employers, etc. are not tracked for the purposes of this policy even if the complaints might relate to a student. Only a student who is enrolled full- or part-time or who has recently been enrolled, within the previous two semesters, is eligible to file a formal grievance.

Central Baptist College is required by law to share information about grievances with its accrediting agency, the Higher Learning Commission of the North Central Association of Colleges and Schools; however, individual identities will be shielded from evaluation teams, and no letters or documents from individual grievances will be revealed without the express permission of the complainant. The Commission is not a source of additional remedies for students who have complaints about accredited institutions.

NOTE: All claims of harassment should be filed with appropriate college authorities within 30 days following any alleged acts of harassment. Failure to file a claim within the required time frame shall not, however, bar the enforcement of college policy.

No matter the time, doors to resident's rooms are to be closed when watching television, listening to music, singing, or playing a musical instrument.

Right of Entry

See Right to Entrance, Search, and Seizure Policy. Additionally, CBC respects the privacy of students living in the residence halls. Any search of residence hall rooms conducted by the College will be carried out only with adequate cause and with explicit authorization of the appropriate College official. If such a search is required, an effort will be made to have the resident(s) of the room present at the time of the search. Otherwise the student will be notified as soon as possible after the search is completed.

Trash

Residents are responsible for emptying their own trash. Under no circumstances should trash from a resident's room be emptied into trashcans provided in bathrooms or lobbies. Any resident who violates this policy is subject to a \$25.00 fine for each violation. Residents will be notified about the location of dumpster areas for their assigned building at the beginning of each academic year.

Unauthorized Entry

No resident is to enter the room of another resident without permission of that resident. Residents are not allowed access to on campus housing facilities that close during academic breaks and holidays. No student shall enter a

hallway or stairwell designated for the opposite sex at any time. Non-resident students found staying in a residence hall room without written permission from the housing staff will be subject to disciplinary action for unauthorized entry to the residence hall.

Washing Machines and Dryers

Washing machines and dryers are located in each on campus housing facility. These machines should not be used between the hours of midnight and 9:00 am. It is the student's responsibility to make sure to check and clean the dryer filter before each use. Out of respect for other residents, we ask that you do not leave your items in a machine more than 15 minutes after the machine has finished its cycle.

Upperclassmen Housing

Central Baptist College offers a special housing program for students who have lived in a residence hall for four semesters, have received 60 or more credit hours (concurrent credit not included), or be 21 years old or older on the first day of class. Residents are not required to report for curfew; however, the closed campus policy still applies. Residents are invited to attend programs hosted by the Upperclassmen Resident Coordinator.

Safety Checks

The Resident Coordinator will conduct safety checks at least once a month at each upperclassmen student houses. These checks can be announced or unannounced. Resident Coordinators have series of inspections they are required to conduct to ensure the safety of the residents.

Visiting Hours

Upperclassmen housing residents may have visitors of the opposite gender in the house between the hours of 3:00 p.m. and 11:00 p.m. Monday – Thursday and 3:00 p.m. – 12:00 a.m. Friday – Sunday. Visitors must be accompanied by the resident at all times. Visitors may only access common areas (living room, kitchen, bathroom, and dining room). Entry into resident rooms is strictly prohibited. Failure to comply with visiting areas and hours will could result in the removal of resident(s) from upperclassmen housing, and visitors could be sanctioned for violations in the CBC student hand book. Violation of the Visiting Hours policy is a level 1 offense.

Restricted Areas

No resident is to enter the room of another resident without permission of that resident. Visitors of the opposite gender are allowed in common areas of the home. These areas include the living room, kitchen, dining hall, and bathroom. Visitors of the opposite gender are not allowed in student's rooms at any time. Upperclassmen housing students and guests in violation of the handbook could be subject to sanctioning. Failure to comply will result in the removal of resident(s) from upperclassmen housing. Violation of the Restricted Areas policy is a level 2 offense.

Overnight Guests

Guests of the same sex may stay with a resident in the house up to 5 nights per academic year. Each guest is allowed 5 overnight visits per academic year, consecutive or non-consecutive, in a resident's room. Permission from the Resident Coordinator must be obtained by the resident to have an overnight guest by 9:00 p.m. on the day of the visit. A resident may only have one guest per night. Violations of the Overnight Guest policy is a level 1 offense.

General Conduct of Residents and Guests

Residents who repeatedly violate housing policies will be removed from upperclassmen housing by the Dean of Students. Residents who are required to move into Dickson Hall or overflow housing will be required to pay difference owed between the upperclassmen housing charge and the prorated Dickson/ Overflow housing charge/and or face levels of discipline up to suspension or expulsion.

Residents are responsible for the behavior of their guest(s). Guests are expected to abide by all CBC and residence hall guidelines. If a guest becomes a nuisance, or breaks any of the guest policies stated above, and is asked to leave by a member of the housing staff, but refuses, the Conway Police will be called.

Academic and Classroom Standards

HONOR CODE

As our mission statement indicates, Central Baptist College is a community of learners dedicated to the integration of Christian faith and academic excellence. To achieve this aim, we must act with honor and integrity; therefore, we hold ourselves accountable. We will refrain from all academic fraud. We will not misrepresent our work, help others to cheat, or receive unauthorized aid on a test or other assignment. We will endeavor to reflect the excellence of Christ in all we say and do.

Policy on Academic Integrity

This policy applies to any and all student experiences in which academic credit is involved.

1. Academic Integrity

Because academic integrity is a cornerstone of an institution's commitment to the principles of free inquiry, students are responsible for learning and upholding professional standards of research, writing, assessment, and ethics in their areas of study. In the academic community, the high value placed on truth implies a corresponding intolerance of scholastic dishonesty.

Written or other work which students submit must be the product of their own efforts and must be consistent with appropriate standards of professional ethics. Academic dishonesty, which includes cheating, plagiarism and other forms of dishonest or unethical behavior, is prohibited.

A breakdown of behaviors that constitute academic dishonesty is presented below. The definitions and clarifications are meant to provide additional information and examples of these behaviors. They are not intended to be all-inclusive. Questions regarding this policy or requests for additional clarification can be directed to the Dean of Students.

2. Academic dishonesty includes:

A. Cheating on Examinations

Definition:

Cheating is using or attempting to use materials, information, notes, study aids, or other assistance in any type of examination or evaluation which have not been authorized by the instructor.

Clarification:

1. Students completing any type of examination or evaluation are prohibited from looking at another student's materials and from using external aids of any sort (e.g., books, notes, calculators, and conversation with others) unless the instructor has indicated specifically in advance that this will be allowed.
2. Students may not take examinations or evaluations in the place of other persons. Students may not allow other persons to take examinations or evaluations in their places.
3. Students may not acquire unauthorized information about an examination or evaluation and may not use any such information improperly acquired by others.

B. Plagiarism

Definition:

Plagiarism is intentionally or carelessly presenting the work of another as one's own. It includes submitting an assignment purporting to be the student's original work which has wholly or in part been created by another person. It also includes the presentation of the work, ideas, representations, or words of another person without customary and proper acknowledgement of sources. Students must consult with their instructors for clarification in any situation in which the need for documentation is an issue, and will have plagiarized in any situation in which their work is not properly documented.

Clarification:

1. Every direct quotation must be identified by quotation marks or appropriate indentation and must be properly acknowledged by parenthetical citation in the text or in a footnote or endnote.

2. When material from another source is paraphrased or summarized in whole or in part in one's own words, that source must be acknowledged in a footnote or endnote, or by parenthetical citation in the text.
3. Information gained in reading or research that is not common professional knowledge must be acknowledged in a parenthetical citation in the text or in a footnote or endnote.
4. This prohibition includes, but is not limited to, the use of papers, reports, projects, and other such materials prepared by someone else.

C. Fabrication, Forgery, and Obstruction

Definition:

Fabrication is the use of invented, counterfeited, altered or forged information in assignments of any type including those activities done in conjunction with academic courses that require students to be involved in out of classroom experiences.

Forgery is the imitating or counterfeiting of images, documents, signatures, etc.

Obstruction is any behavior that limits the academic opportunities of other students by improperly impeding their work or their access to educational resources.

Clarification:

1. Fabricated or forged information may not be used in any laboratory experiment, report of research, or academic exercise. Invention for artistic purposes is legitimate under circumstances explicitly authorized by an instructor.
2. Students may not furnish to instructors fabricated or forged explanations of absences or of other aspects of their performance and behavior.
3. Students may not furnish, or attempt to furnish, fabricated, forged or misleading information to officials of the institution or to agencies in which students are fulfilling academic assignments.
4. Students may not steal, change, or destroy another student's work. Students may not impede the work of others by the theft, defacement, or mutilation of resources so as to deprive others of their use.

D. Multiple Submission

Definition:

Multiple submission is the submission of the same or substantially the same work for credit in two or more courses.

Multiple submissions shall include the use of any prior academic effort previously submitted for academic credit at this or a different institution.

Multiple submissions shall not include those situations where the prior written approval by the instructor in the current course is given to the student to use a prior academic work or endeavor.

Clarification:

1. Students may not normally submit any academic assignment, work, or endeavor in more than one course for academic credit of any sort. This will apply to submissions of the same or substantially the same work in the same semester or in different semesters.
2. Students may not normally submit the same or substantially the same work in two different classes for academic credit even if the work is being graded on different bases in the separate courses (e.g., graded for research effort and content versus grammar and spelling).
3. Students may resubmit a prior academic endeavor if there is substantial new work, research, or other appropriate additional effort. The student shall disclose the use of the prior work to the instructor and receive the instructor's permission to use it PRIOR to the submission of the current endeavor.
4. Students may submit the same or substantially the same work in two or more courses with the prior written permission of all faculty involved. Instructors will specify the expected academic effort applicable to

their courses and the overall endeavor shall reflect the same or additional academic effort as if separate assignments were submitted in each course. Failure by the student to obtain the written permission of each instructor shall be considered a multiple submission.

E. Complicity

Definition:

Complicity is assisting or attempting to assist another person in any act of academic dishonesty.

Clarification:

1. Students may not allow other students to copy from their papers during any type of examination.
2. Students may not assist other students in acts of academic dishonesty by providing material of any kind that one may have reason to believe will be misrepresented to an instructor or other official.
3. Students may not provide substantive information about test questions or the material to be tested before a scheduled examination unless they have been specifically authorized to do so by the course instructor. This does not apply to examinations that have been administered and returned to students in previous semesters.

F. Misconduct in Research and Creative Endeavors

Definition:

Misconduct in research is serious deviation from the accepted professional practices within a discipline or from the policies of the institution in carrying out, reporting, or exhibiting the results of research or in publishing, exhibiting, or performing creative endeavors. It includes the fabrication or falsification of data, plagiarism, and scientific or creative misrepresentation. It does not include honest error or honest disagreement about the interpretation of data.

Clarification:

1. Students may not invent or counterfeit information.
2. Students may not report results dishonestly, whether by altering data, by improperly revising data, by selective reporting or analysis of data, or by being grossly negligent in the collecting or analysis of data.
3. Students may not represent another person's ideas, writing or data as their own.
4. Students may not appropriate or release the ideas or data of others when such data have been shared in the expectation of confidentiality.
5. Students may not publish, exhibit, or perform work in circumstances that will mislead others. They may not misrepresent the nature of the material or its originality, and they may not add or delete the names of authors without permission.
6. Students must adhere to all federal, state, municipal, and university regulations for the protection of human and other animal subjects.
7. Students may not conceal or otherwise fail to report any misconduct involving research, professional conduct, or artistic performance of which they have knowledge.

3. Sanctions for Violations of the Policy on Academic Integrity

In cases involving violation of the Policy on Academic Integrity, determination of the student's grade and status in the course are made by the instructor. The instructor's determination made through informal proceedings can be appealed by the student to the Academic Affairs Committee.

4. Process for Handling Alleged Violation of this Policy

A. Informal Proceedings

1. Conference with the Student

A conference between the student and the instructor is the first, and may be the only, step in addressing alleged violations of the Policy on Academic Integrity.

If an instructor has reason to believe that a student has committed a violation of the Policy on Academic Integrity, the instructor will contact the student within a reasonable period of time to notify the student of the suspected violation of the Policy on Academic Integrity and to either discuss the matter with the student or set up an informal meeting between the student and instructor. The student has the right to decline to talk about the matter with the instructor until they have a meeting. Any meeting shall take place as soon as possible after the discovery of the alleged violation; however, it is understood that having a conference with a student may not always be possible before grades are due.

At any meeting, the instructor will inform the student of the details of the alleged violation and will give the student a copy of the Academic Integrity Policy. It will be the responsibility of the instructor to present evidence of the alleged violation of the policy. The student will be provided the opportunity to respond to the allegation and may explain any suspected or alleged misconduct by presenting evidence, giving additional information relevant to the matter, explaining extenuating or mitigating circumstance, or acknowledging a violation.

If the student declines to discuss the matter or attend a meeting with the instructor, or is unavailable for more than ten (10) business days, the instructor shall make a determination as to whether a violation of this policy has occurred and what the appropriate sanction will be.

If, after completing the above process, the instructor believes there is a preponderance of evidence that the student violated the Academic Integrity Policy, the instructor may make an admonition to the student (i.e., an oral statement that the student has violated the policy) or impose one or more of the following:

a. Warning

A written notice that the student has violated the Academic Integrity Policy and that further violation may result in additional sanctions.

b. Revision of Work

A requirement that the student revise or replace the work in which the violation of the Academic Integrity Policy occurred. The instructor may assign a deferred grade pending the replacement or revision of the work.

c. Reduction in Grade

The grade on the assignment or in the course may be lowered.

d. Dismissal from Class

The instructor may choose to withdraw the student from the course.

e. Additional Disciplinary Sanctions (Formal Proceedings)

In addition to the above sanctions, an instructor may refer the matter to the Dean of Students to seek additional disciplinary sanctions if the situation appears to warrant it.

When an instructor decides to impose any sanction(s) the instructor will notify the student of this decision in writing by mailing a letter to the student, sending it via email, or delivering it personally to the student. If the notice is mailed, it will be deemed received two (2) days following the date the notice is posted at facilities of the United States Post Office. The day the notice is emailed or given to the student shall be deemed the date the notice is received. A faculty member will make a copy of this letter to submit to the Dean of Students to be placed in the student's file.

Instructors are encouraged to report incidents of violations of this policy and any sanctions they have imposed to their department chairs and the Vice President for Academic Affairs; however, they are required to report any violations to the Dean of Students. The Dean of Students will document the incident, maintain a file, and may initiate formal proceedings for disciplinary action against the student.

The Dean of Students will maintain a confidential file on students for one (1) year after they graduate or have not been enrolled at the institution for a period of three (3) years. If students are suspended, the records are maintained for one (1) year after graduation or five (5) years after last enrollment. If students are dismissed, records are maintained indefinitely.

Failure to appeal a sanction after an informal conference with an instructor constitutes acknowledgement that the student violated the Policy on Academic Integrity.

5. Appeal of an Informal Proceeding

A student sanctioned for violation of the Academic Integrity Policy may appeal the instructor's decision that a violation of the policy has occurred, and / or the sanction.

The student should consult with the instructor's department chair about the sanction. If the department chair is unable to resolve the issue to the student's satisfaction or the department chair is the student's instructor and is connected to the dispute, the student should contact the Vice President for Academic Affairs to begin the process of filing an appeal with the Academic Affairs Committee.

The appeal must be submitted in writing to the Vice President for Academic Affairs not later than ten (10) business days after the student has been notified of the instructor's decision. An appeal not made within the time limit will not be heard unless an exception is made by the Vice President for Academic Affairs.

An appeal is made by addressing a written statement of appeal to the Academic Affairs Committee and submitting it to the Vice President for Academic Affairs within the time limit. The written statement of appeal must include the following information: the name of the person appealing, the name of the instructor involved in the dispute, the name of the course, the basis of the appeal, and the remedy which the person appealing is requesting from the Academic Affairs Committee.

The Vice President for Academic Affairs will give a copy of the student's appeal letter to the instructor and ask him/her to provide a written response to the grievance.

As soon as practical, the Vice President for Academic Affairs will convene a meeting of the Academic Affairs Committee to consider the appeal. The committee will receive a copy of the appeal letter and a copy of the instructor's response for consideration. Neither the instructor nor the student shall attend the meeting unless invited by the committee for further questioning.

The purpose of the appeals committee is to decide if the findings of the instructor was so incorrect that the decision should be changed. It is not the function of the appeals committee to rehear the charges against the student; it is an appeal of the findings of the instructor. The appeals committee may reach the following outcomes:

Find that there are not sufficient facts presented to warrant the findings of fact made by the instructor and ask the instructor to set aside or change the sanctions against the student.

Find that there are sufficient facts presented to warrant the findings of fact made by the instructor and uphold the sanctions against the student.

The decision by the Academic Affairs Committee will be final, and a written resolution letter will be sent via email or mail to the student and instructor.

A copy of the resolution letter will also be submitted to the Dean of Students for inclusion in the student's file.

B. Formal Proceedings

If the instructor believes that a student has violated the Academic Integrity Policy and that the violation is sufficiently serious, the instructor may refer the case to the Dean of Students for the consideration of additional sanctions. The following procedures will be followed:

1. As part of the letter notifying the student of the sanction(s) resulting from the informal meeting, the instructor will inform the student that formal proceedings by the Dean of Students are being requested.
2. The instructor will forward all documentation supporting the allegation of violation to the Dean of Students with a cover letter describing the situation. Examples of documentation include the course syllabus, quiz or exam, assignment, source of plagiarism.
3. The *Student Planner and Handbook* will govern the sanctions which can be imposed and the appeal process.
4. The Dean of Students will determine if additional sanctions are warranted and will notify the instructor of his/her determination.
5. This sanction will be recorded on the student's permanent disciplinary record, subject to release only under the terms of the Family Educational Rights and Privacy Act.

The Dean of Students can also initiate formal proceedings against the student without an instructor's request if there has been more than one violation of the Policy on Academic Integrity.

Absence of the Professor

No attendance record will be taken if the teacher or class monitor fails to appear. However, the class should remain in session for at least fifteen minutes before leaving unless word is received that the class is to remain longer.

Academic Advising

Students are assigned an advisor when they initially enroll based on their declared major. Advisors assist students in making choices concerning course selection, scheduling, and degree plans. Students are responsible for reading the CBC catalog and making choices necessary to complete degree requirements. When students change degree programs they will be assigned an appropriate advisor. Students who will ultimately complete their degree at another institution are responsible for obtaining degree requirements from that institution. CBC advisors will then be able to assist the student in proper course selection in preparation for transfer.

Class Attendance

Attendance at all lectures and labs is expected of all students and is regarded as a course requirement. When absences from class are excused, the student may, at the discretion of the instructor, be allowed to make up work. The responsibility for initiating make-up work rests with the student. Arrangements for such work are to be made with the instructor on the first day the student returns from an excused absence.

Absences may be excused by the instructor for the following reasons:

- Illness of the student which is certified by a physician or, in the judgment of the instructor, is serious enough to warrant an excuse. The student should contact his/her professors if he/she misses class due to an illness.
- Other personal demands which, in the judgment of the instructor, are serious enough to warrant an excuse
- External interference judged by the instructor to be legitimate and unavoidable through normal precaution
- Institutional field trips, choral/band activities, and sports for which the sponsor provides written notice to the faculty prior to the function. Students who participate in these activities should understand that they cannot exceed the maximum number of absences allowed for each class.

NOTE: If an instructor considers the absence unexcused, the student may request review of that judgment by the Academic Affairs Committee. This request is to be made immediately following notification by the instructor that the absence is unexcused.

It is the responsibility of the student to notify his/her instructor directly if he/she will be absent due to emergency or for prolonged periods of time. If the student cannot reach the instructor, the student should contact the faculty secretary at 501-205-8819.

During a semester, a student may miss (excused or unexcused) no more than twice the number of lectures or other regularly scheduled class activities that would normally be scheduled in a week. Absences in excess of that number may result in the student being administratively withdrawn from class. If an instructor administratively withdraws a

student from a course, a grade of “WF” will be recorded. For example, a student may be withdrawn upon the 7th absence in a 3-hour MWF class or on the 5th absence from a TTh class. For other classes, see the class syllabus for specific details.

No children are allowed in classroom facilities without prior consent of the instructor.

NOTE: This is the general institutional attendance policy. Instructors have the right to modify the attendance policy to meet class objectives. If this is the case, the course syllabus takes priority over this general institutional attendance policy.

Grade Appeal Policy

If a student believes an **error in grade** has occurred, the student shall formally initiate a review of the grade no later than three weeks after the beginning of the next semester. It is the student’s responsibility to verify with the instructor the accuracy of the recorded scores and the final reported grade as the first step of the process. If the grade differences have not been resolved through discussion with the instructor, and the student seeks additional mediation, the student should contact the chair of the department. If the instructor is also the chair of the department the student needs to contact the division chair. If the matter is not resolved after meeting with the department chair, or the division chair, the student may initiate a formal appeals process, by contacting the Vice President for Academic Affairs.

The following procedures must be followed to make a formal grade appeal:

- 1 The student must submit a grade appeal letter to the Vice President for Academic Affairs within two weeks of meeting with the department chair or division chair. The letter should explain the reason for the appeal, citing specific examples which support the grievance.
- 2 The Vice President for Academic Affairs will give a copy of the student’s letter to the instructor and ask him/her to prepare a written response to the grievance. The department chair/division chair will also be asked to provide a statement.
- 3 These letters will be sent to the Academic Affairs Committee for consideration. Instructors, department chairs, and division chairs shall recuse themselves from the discussion and voting if they have already made a decision regarding the appeal.
- 4 The Academic Affairs Committee will review the letters and make a decision. In some cases, the student and/or the instructor may be asked to make statements and/or answer questions. A final written decision will be given to the student, instructor, and Registrar.

Graduation

CBC holds one graduation ceremony each year in May. A student may participate in the ceremony if he/she lacks no more than 7 credit hours to complete his/her degree requirements. Students who feel that they are ready to graduate should request a degree audit from the Registrar’s office prior to applying for graduation. Upon confirmation by the degree audit that the student is eligible for graduation, the student should complete and submit the Graduation Application to the Registrar’s office by the announced graduation application deadline.

Students who wish to participate in the graduation ceremony must apply for graduation. A graduation fee is placed on a student’s account immediately after submission of the graduation application. Students who do not wish to participate in the graduation ceremony will be billed a reduced graduation fee. Everyone is encouraged to participate in the graduation ceremony.

Grading System and Reports

In order to receive credit in a course a student must complete the assigned work of the semester and the final examination. The final semester grade shall be determined by the instructor, based on his/her appraisal of the student’s progress in class. Examinations, daily grades, class participation, special works, etc., shall be considered in determining the grade.

The semester hour is the basis of credit. As a general rule, one semester hour is given for each hour of recitation (lecture) a week per semester. Three hours of laboratory are usually considered to be the equivalent of one hour of lecture. At the end of each semester, the student receives one of the following letter grades as an official evaluation. (Unofficial status grades are given at mid-term.) Grade scales may vary with instructor. The following is an unofficial grade scale:

Grade	Points	Interpretation	Quality Points
A	90-100	Excellent	4
B	80-89	Good	3
C	70-79	Average	2
D	60-69	Below Average	1
F	0-59	Failure	0
W		Withdrew	
WP		Withdrew Passing	
*WF		Withdrew Failing	
*I		Incomplete	
AU		Audit	
E		Expelled	
S		Satisfactory	
U		Unsatisfactory	
CR		Credit	
NC		No Credit	

* Calculates as an F in GPA

Any student receiving an "I" in any course may fulfill the course requirements and receive a proper grade within one semester. The student is responsible for making arrangements with the instructor to fulfill the course requirements. If no action is taken, the "I" will be replaced with an "F." For scholarship and financial purposes the "I" must be replaced with a grade by the last date to enroll for the following term. An "I" is calculated as an "F" in the grade point average.

Make-up Tests

If you have an excused absence at a time when a test is scheduled, you can make up the missed test. You must have a valid reason for your absence and the instructor must agree that your reason is valid and be willing to give the test. Make-up tests must be scheduled immediately upon your return to class.

Financial Aid Procedures

Students applying for Federal Student Aid must complete the FAFSA online each year by June 30 in order for aid to be finalized prior to the payment deadline of the fall semester. For FAFSA applications submitted after that date, students should be prepared to make other payment arrangements before the payment deadline of the fall semester. The FAFSA must be renewed each year a student wishes to receive Federal Student Aid.

Federal Student Aid Satisfactory Academic Progress Policy

Federal and State regulations require all schools participating in state and federal financial aid programs to have a Standard of Satisfactory Academic Progress (SAP). The standard will be applied to all applicants and recipients of financial aid as a determination of eligibility. These standards are applicable to all students whether they are eligible for the Title IV funding or not. This standard requires an evaluation schedule, a quantitative standard (pace of completion), a maximum time frame, and a qualitative standard. CBC will review SAP annually following the spring semester.

Quantitative Requirement

- Pace of Completion** – Students must successfully complete at least 67% of the total degree attempted. Successfully completing attempted hours means earning a letter grade of D or higher. Some courses may have a specific passing grade requirement. In such cases, the student must earn the specified grade to be considered to have successfully completed the hours. A student may take a class for grade forgiveness, but until the new grade is posted after a subsequent semester, for the purpose of Satisfactory Academic Progress, the financial aid office will use the existing grade.
- Maximum Time Frame** – Federal regulation states that the maximum allowable time frame to complete a degree is 150% of the published length of the educational program. For example, students enrolled in a degree program requiring 120 credit hours are eligible to receive Title IV aid for a total of 180 attempted credit hours.

Qualitative Requirement

Satisfactory academic progress is also monitored through a student's grades.

Total number of hours completed by Student	Required Cumulative GPA
1 – 29 total hours (Freshman status)	1.50 cumulative GPA
30-59 total hours (Sophomore status)	1.75 cumulative GPA
60 or more total hours (Junior + status)	2.0 cumulative GPA

A Grade Point Average of 2.0 is equivalent to a C average.

Remedial classes will be counted towards the 150% maximum allowable timeframe AND will be considered in the review of SAP.

The complete Satisfactory Academic Progress Policy can be found on our website under Financial Aid. Please read the entire policy and sign below. Your federal aid will not be applied to your account or disbursed without this signed policy.

Technology Standards

All students are issued a username and password to gain access to the computing systems at Central Baptist College during their first semester enrolled at CBC. The password for this account expires every 60 days and must be reset either from a CBC owned computer system or using the password change/recovery system. To use the password change/recovery system, you MUST have already set up your personal questions and answers. You will do this the first time you log in to MyCBC from the CBC website. Students who withdraw or do not re-enroll will have their account dropped and all files and emails will be erased.

Students with technology questions (passwords, usernames, computer or general tech help), should email the technology helpdesk at techsupport@cbc.edu.

Computer Labs

CBC offers each student access to three computer labs on campus. These labs are located in the Cooper Complex in KB110, Watkins 315, and Café 52. Each of these labs is equipped with computers and printers for student use. Lab hours of operation will be posted on the lab doors.

Student Printing

Students are allowed to print 100 free pages per semester using the printers in the computer labs and/or library. Additional print pages may be purchased in the Business office for 10¢ per page. When a student's account reaches zero, the print job will cancel and the student will be given a reminder to purchase additional prints from the Business Office.

Wireless Hotspot System

CBC offers each student access to a campus-wide free wireless hotspot system. To gain access to the wireless system, simply connect to the Central Baptist College SSID and accept the legal use policy. For all support questions please submit an email request to the help desk at techsupport@cbc.edu.

Computer Use Standards

Central Baptist College believes that access to computing and network resources are a significant benefit to the education of all individuals. Such access to computing systems and networks owned or operated by Central Baptist College is considered a privilege which imposes certain responsibilities on users and obligations to users and is granted subject to College policies. Acceptable use is considered to be ethical, reflecting academic honesty and showing restraint in the consumption of shared resources. It demonstrates respect for intellectual property, ownership of data, system security mechanisms, and individuals' rights to privacy and to freedom from intimidation, harassment, and malicious annoyance. Violations of these rules will be reviewed through established procedures and could result in restrictions, expulsion, or criminal procedures. Punitive actions may be appealed through the same procedures.

Technology Guidelines

DO:

- use resources only for authorized purposes

Use of Campus Computer Network

Although Central Baptist College has expanded network access in various areas around campus utilizing wireless connectivity, students and visitors are advised to make use of the student wireless system only. This system is meant for transmission of data using authorized connections and not for general access to roam on campus. It is a violation of the computer use policy to connect to the private Campus Network using wireless connectivity or any other means without prior permissions and such violations will be dealt with in the strongest manner possible.

Legal Note

Unauthorized copying or use of digital material (e.g. computer software, movies, music, and intellectual material) is illegal and unethical. Central Baptist College strictly prohibits copying licensed software. Users are allowed, however, to make a copy for backup or archival purposes of duly licensed software. Central Baptist College will not knowingly encourage, condone or support the illegal acquisitions, possessions, or distribution of copyright protected materials in any form. Specifically, if Central Baptist College becomes aware of persons utilizing the campus network for such purposes, those persons could be considered in violation of these Rules of computing Practices, and appropriate actions will be taken. If one is in doubt of whether or not he/she owns a legal copy of one's digital material, he/she may contact the Technology Department for assistance.

Being connected to a network may involve security risks including viruses. Central Baptist College is not responsible for damages resulting from connection to the network. We recommend taking appropriate measures such as using antivirus software and regular backups.

Central Baptist College cannot and does not make any guarantee, explicit or implied, regarding the privacy of electronic mail or information saved in network folders. Electronic communication is vulnerable to interception, misdirection, or rerouting. Therefore, highly confidential materials should be delivered or stored in another manner.

Be aware also that occasionally a representative of the College may see all or part of an electronic message sent by you or addressed to you. College personnel may also view files saved in network folders. Information contained in electronic messages or network directory files may be used against you in disciplinary proceedings. Central Baptist College reserves the right to view all contents example (email accounts, chats, saved documents, ETC.) on the college's network.

Violation of Standards or Conduct

Any incident or inappropriate conduct in a computer lab will be documented by the Director of Information Technology and kept on file with the Dean of Students. Possible sanctions for violations include verbal warning from Director of Information Technology, loss of network access, or ban from computer lab facilities.

These rules are intended to work for the benefit of all users by encouraging responsible use of limited computing resources. Any portion of these rules may be changed at any time. New versions of the rules will supersede all previous versions. You will receive notification of any changes that are made.

Title IX

Policy Statement

No person at Central Baptist College will, on the basis of sex, be excluded from participation in, be denied benefit of, or be subjected to sex discrimination, sexual harassment or sexual misconduct under any education program or activity.

Introduction

Members of the college community, guests and visitors have the right to be free from sexual discrimination, harassment or violence, which means that all members of the campus community are expected to conduct themselves in a manner that does not infringe upon the rights of others. Central Baptist College believes in a zero tolerance policy for gender-based misconduct. When an allegation of misconduct is brought to an appropriate administrator's attention, and a respondent is found to have violated this policy, serious sanctions will be used to reasonably ensure that such actions are never repeated. These procedures have been developed to reaffirm these principles and to provide recourse for those individuals whose rights have been violated. The policy and procedures are intended to define community expectations and establish a mechanism for determining when those expectations have been violated.

Jurisdiction

Title IX protects the college community from sexual harassment in a school's education programs and activities. This means that Title IX protects the college community in connection with all academic, educational, extracurricular, athletic, and other programs of the school, whether those Programs take place in a school's facilities, in college transportation, at a class or training program sponsored by the school at another location, or elsewhere.

Definition of Terms

Complainant: Any party who makes a complaint/grievance against another student, employee, staff member or campus visitor.

Respondent: The person(s) against whom a complaint has been made.

Definition of Status: A full-time employee will be considered as an employee, regardless of student status. A student who is a part-time employee will be considered a student unless the incident under consideration occurred in connection with employment.

Discrimination (general definition): Actions that deprive members of the community of educational or employment access, benefits or opportunities. Any distinction, preference, advantage for or detriment to an individual compared to others that is based upon an individual's actual or perceived gender, race, color, age, creed, national or ethnic origin, physical or mental disability, veteran status, pregnancy status, religion or sexual orientation that is so severe, persistent or pervasive that it unreasonably interferes with or limits a person's ability to participate in or benefit from the college's educational programs or activities. There can be no discrimination related to pregnancy, child birth, false pregnancy, termination of pregnancy or recovery.

Discriminatory Harassment: Detrimental action based on an individual's actual or perceived gender, race, color, age, creed, national or ethnic origin, physical or mental disability, veteran status, pregnancy status, religion, sexual orientation or other protected status that is so severe, persistent or pervasive that it unreasonably interferes with or limits a person's ability to participate in or benefit from the college's educational programs or activities.

Sexual Harassment: Sexual Harassment is unwelcome, gender-based spoken, written or symbolic action or physical conduct that is sufficiently severe, persistent or pervasive that it has the effect of unreasonably interfering with, limiting or denying someone the ability to participate in or benefit from the college's educational programs. The unwelcome behavior may be based on power differentials, the creation of a hostile environment or retaliation. Examples include: an attempt to coerce an unwilling person into a sexual relationship; to repeatedly subject a person to egregious, unwanted sexual attention; to punish a refusal to comply; to condition a benefit on submitting to sexual advances; sexual violence; intimate partner violence; stalking; and gender-based bullying. Not all workplace or educational conduct that may be described as "harassment" affects the terms, conditions or privileges of employment or education. For example, a mere utterance of an ethnic, gender-based or racial epithet which creates offensive feelings in an employee or student would not normally affect the terms and conditions of their employment or education.

Hostile Environment: Any situation in which there is harassing conduct that is sufficiently severe, pervasive and objectively offensive that it alters the conditions of employment or limits, interferes with or denies educational benefits or opportunities, from both a subjective (the alleged victim's) and an objective (reasonable person's) viewpoint.

Quid pro Quo Sexual Harassment: Exists when there are unwelcome sexual advances, requests for sexual favors or other verbal or physical conduct of a sexual nature and submission to or rejection of such conduct results in adverse educational or employment action.

Retaliatory Harassment: Any adverse employment or educational action taken against a person because of the person's participation in a complaint or investigation of discrimination or sexual misconduct. Intentional action taken by an accused individual or allied third party, absent legitimate non-discriminatory purposes, that harms an individual as reprisal for filing or participating in a complaint/grievance procedure.

Sexual Harassment of a Student by Another Student: Any unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature by a student toward another student that is so severe, persistent or pervasive that it unreasonably interferes with or limits a student's ability to participate in or benefit from the college's educational programs or activities. For example, a student repeatedly asks another student out on dates, even though he or she has turned down the invitation numerous times. It is harassment to repeatedly subject a person to egregious, unwelcome sexual attention.

Sexual Harassment of a Faculty/Staff Member by a Student or Another Employee: Any unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature directed toward a faculty/staff member that is so severe, persistent or pervasive that it unreasonably interferes with employment or living conditions or deprives the individual of employment access or benefits. For example, a student appears at a faculty member's house uninvited. It is harassment to repeatedly subject a person to egregious, unwelcome sexual attention.

Sexual Harassment of a Student by a Faculty/Staff Member/Campus Visitor: Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature by a faculty, staff member or campus visitor toward a student are held to constitute sexual harassment when:

- Submission to such sexual conduct is made either explicitly or implicitly a term or condition of rating an individual's educational development or performance; or
- Such conduct is so severe, persistent or pervasive that it unreasonably interferes with or limits a student's ability to participate in or benefit from the college's educational programs or activities.

While a particular interaction must be offensive to both a reasonable person and to the victim to be defined as harassment, faculty or staff members and other persons of authority should be sensitive to questions about mutuality of consent that may be raised and to the conflict of interests that are inherent in personal relationships that result from professional and educational interactions.

Harassment is particularly damaging when it exploits the educational dependence and trust between students and faculty/staff. When the authority and power inherent in faculty/staff relationships with students, whether overtly, implicitly, or through misinterpretation, is abused in any way, there is potentially great damage to the individual student, to the accused individual, and to the climate of the institution. For example, a professor attempts to coerce an unwilling student into having sex with him/her in exchange for a good grade or some other benefit. This is harassment regardless of whether the student accedes to the request and regardless of the student's final grade.

Non-Consensual Sexual Contact: Non-consensual sexual contact is any intentional sexual touching, however slight, with any object by a man or a woman upon a man or a woman that is without consent and/or by force.

Sexual Contact includes:

Intentional contact with the breasts, buttock, groin, or genitals, or touching another with any of these body parts, or making another touch you or themselves with or on any of these body parts; any intentional bodily contact in a sexual manner, though not involving contact with/of/by breasts, buttocks, groin, genitals, mouth or other orifice.

Non-Consensual Sexual Intercourse: Non-consensual sexual intercourse is any sexual intercourse however slight, with any object by a man or woman upon a man or a woman that is without consent and/or by force.

Intercourse includes:

- vaginal penetration by a penis, object, tongue or finger
- anal penetration by a penis, object, tongue, or finger
- oral copulation (mouth to genital contact or genital to mouth contact), no matter how slight the penetration or contact

Sexual Exploitation: Occurs when a person takes non-consensual or abusive sexual advantage of another for his/her own advantage or benefit, or to benefit or advantage anyone other than the one being exploited, and that behavior does not otherwise constitute one of other sexual misconduct offenses.

Examples of sexual exploitation include, but are not limited to:

- invasion of sexual privacy;
- prostituting another person;
- non-consensual video or audio-taping of sexual activity;
- going beyond the boundaries of consent (such as letting your friends hide in the closet to watch you having consensual sex);
- engaging in voyeurism;
- knowingly transmitting an STI or HIV to another person; or
- exposing one's genitals in non-consensual circumstances or inducing another to expose his or her genitals.

Sexually-based stalking and/or bullying may also be forms of sexual exploitation.

Consent: Consent is clear, knowing and voluntary. Consent is active, not passive. Silence, in and of itself, cannot be interpreted as consent. Consent can be given by words or actions, as long as those words or actions create mutually understandable clear permission regarding willingness to engage in (and the conditions of) sexual activity.

- In order to give effective consent, one must be at least 16 years old.
- Sexual activity with someone known to be mentally or physically incapacitated, or based on the circumstances, someone who could reasonably be known to be mentally or physically incapacitated, constitutes a violation of this policy.

Incapacitation is a state where someone cannot make rational, reasonable decisions because he or she lacks the capacity to give knowing consent (e.g., to understand the “who, what, when, where, why or how” of the sexual interaction). Alcohol or other drug use, unconsciousness or blackout is an example of incapacitation.

This policy also covers a person whose incapacity results from mental disability, sleep, involuntary physical restraint, or from the taking of rape drugs. Possession, use and/or distribution of any of these substances, including Rohypnol, Ketamine, GHB, Burundanga, etc. is prohibited, and administering one of these drugs to another person is a violation of this policy. More information on these drugs can be found at <http://www.911rape.org/>

- Use of alcohol or other drugs will never function as a defense to a violation of this policy.
- Consent to any one form of sexual activity cannot automatically imply consent to any other forms of sexual activity.
- Previous relationships or prior consent cannot imply consent to future sexual acts.

Force: Force is the use of physical violence and/or imposing on someone physically to gain sexual access. Force also includes overt threats, implied threats, intimidation and coercion that overcome resistance or produce consent. For example: “Have sex with me or I’ll hit you. Okay, don’t hit me; I’ll do what you want.”

- Coercion is unreasonable pressure for sexual activity. Coercive behavior differs from seductive behavior based on the type of pressure someone uses to get consent from another. When someone makes clear to you that they do not want sex, that they want to stop, or that they do not want to go past a certain point of sexual interaction, continued pressure beyond that point can be coercive. NOTE: There is no requirement that a party resist the sexual advance or request, but resistance is a clear demonstration of non-consent.

Confidentiality

Subject to the other provisions of this policy and the requirements of law, every possible effort will be made to ensure that any information received as part of the College’s resolution and complaint procedures is treated discreetly. All parties to the complaint will be asked to assist in maintaining the privacy of the parties involved. Because of the college’s obligation to investigate allegations of misconduct, it is not possible to guarantee that complaints will be handled confidentially.

Except as compelled by law, in the interest of fairness and problem resolution, disclosure of complaints and their substance and the results of investigations and complaint procedures will be limited to the immediate parties, witnesses and other appropriate administrative officials. Disclosure may also be necessary to conduct a full and impartial investigation.

Compliant/Grievance Procedure

These procedures are intended to apply to student grievances against employees, employee civil rights grievances against students, and student-on-student civil rights grievances. All other grievances by students against students or employees will be addressed through other student conduct procedures.

The college benefits from formal and informal procedures that encourage prompt resolution of complaints and concerns raised by members of the college community.

Informal Complaint Resolution

Before pursuing the formal complaint process, every reasonable effort should be made to constructively resolve issues with students, faculty, staff, or administrators. Whenever possible and safe, the problem or complaint should first be discussed with the individual involved in the complaint. If satisfactory resolution is not reached after discussion with the individual, the complainant should contact the individual's direct supervisor to resolve the complaint. If these efforts are unsuccessful, the formal complaint process may be initiated. The college does not require a complainant to contact the person involved or that person's supervisor if doing so is impracticable, or if the complainant believes that the conduct cannot be effectively addressed through informal means.

Formal Complaint/ Grievance Procedures

Responsibility to Report

Any student, faculty member, staff member, administrator, or visitor to the campus who has experienced or witnessed sexual harassment is strongly encouraged to report it. In order to maintain a safe environment, the college must know about incidents of sexual harassment in order to stop them, protect victims, and prevent future incidents.

It is the responsibility of college faculty, administrators, and supervisors to report complaints of sexual harassment that they receive and of possible sexual harassment of which they become aware. When there is a relationship that involves legally recognized professional confidentiality between the complainant and the person to whom the harassment is reported, the report may be withheld at the request of the complainant.

Notification

Students, faculty members, administrators, staff members, or visitors to the college are strongly encouraged to report allegations of discrimination or harassment to the Title IX Coordinator. A report of sex discrimination or harassment should be made as soon as possible after the incident in order to facilitate an effective response. The longer a report is delayed, the more difficult it will be for the college to investigate. A person who raises a complaint may discuss with the Title IX Coordinator any situation believed to constitute sexual discrimination or harassment. Reports may be made by the person experiencing the discrimination or harassment or by a third party, such as a witness or someone who is told of the discrimination or harassment. A complaint against a student may also be reported through the college's online Student Conduct Reporting Form. The Student Conduct Reporting Form can be found on the Student Conduct website or at the following link: http://www.cbc.edu/current_students/titleIXpolicy/titleIXincidentform Upon receipt of the complaint/grievance, the Coordinator will open a formal case file. If the Investigator receives the complaint/grievance, the Investigator will notify the Coordinator of the case to determine if the case is a Title IX case.

The Title IX Compliance Officers are:

Title IX Coordinator: Vice President Paul Cherry, (205-8805) pcherry@cbc.edu

Title IX Investigator: Dean of Students, Chris Mitchell, (205-8919) cmitchell@cbc.edu

Investigation

1. The Title IX Investigator will conduct the investigation. The Investigator will confer with the Title IX Coordinator for the complainant or other necessary remedial short-term actions. The Title IX Coordinator or his or her deputy will apprise the Vice President for the appropriate division of the grievance, or if the grievance is against the student, the Dean of Students.

2. The Investigator will:

- Identify the correct policies allegedly violated;
- Conduct an immediate initial investigation to determine if there is reasonable cause to charge the respondent(s); If there is insufficient evidence to support reasonable cause, the grievance should be closed with no further action;
- Meet with the complainant to finalize the grievance;
- Prepare the notice of charges on the basis of initial investigation;
- Develop a strategic investigation plan which may include a witness list, an evidence list, an intended timeframe, and an order of interviews for all witnesses, including the respondent;
- Conduct a thorough, reliable and impartial investigation. Witnesses may or may not be given notice prior to the interview.
- Complete the investigation promptly, and without unreasonable deviation from the intended timeline.
- Make a finding on the case, based on a preponderance of the evidence which indicates that a policy violation has or has not occurred;
- Present the findings to the individual(s) alleged to have committed discrimination or harassment, who may accept the findings, accept the findings in part and reject the findings in part, or may reject all findings;

- Share the findings and update the complainant on the status of the investigation and the outcome.

3. If the findings indicate that the alleged discrimination or harassment has not occurred, the investigation should be closed. The complainant who filed a complaint may request from the Title IX Coordinator an extraordinary decision to refer the complaint to a hearing. A hearing will only be granted by the Coordinator in exceptional circumstances.

4. Where the findings indicate that the alleged discrimination or harassment has occurred, and the respondent(s) accepts the findings that she/he violated college policy, an appropriate sanction will be imposed. If the complaint is against a student the sanction will be determined by the Dean of Students. If the complaint is against a CBC employee, the Vice President for the appropriate division in consultation with the Director of Human Resources, will determine the sanction. Central Baptist College will act to end the discrimination, prevent its recurrence, and remedy its effects on the person who filed the complaint and on the CBC community.

5. Following the investigation, the Chair of the Investigation and Hearing Board will distribute a written Letter of Determination to the affected parties.

Hearing

1. In the event that the individual(s) alleged to have committed discrimination or harassment rejects the investigation findings in part or entirely, the Coordinator and Investigator will convene a hearing under its respective procedures to discuss the contested aspects of the formal complaint. At the hearing, the findings of the investigation will be admitted and the Investigator may give evidence. However, the Coordinator is not bound by the finding(s) of the Investigator. The hearing will determine whether it is more likely than not that a violation of policies has occurred. The goal of the hearing is to provide an equitable resolution via an equitable process, respecting the civil and legal rights of all participants.

2. When the Coordinator determines a violation has occurred, it will recommend appropriate sanctions for the violation. The appropriate division of the complaint, or if the complaint is against a student, the Title IX Coordinator, will impose appropriate sanctions for the violation. The college will act to end the discrimination or harassment, prevent its reoccurrence, and remedy its effects on the person who filed the complaint and on the college community.

3. Following the hearing, the Coordinator will send a written Letter of Determination to the affected parties.

Complaint and Grievance Process Provisions

Time Periods

All effort will be made to make a determination in no more than 60 calendar days of filing a formal complaint/grievance.

For purposes of calculating all time periods set forth in this Complaint and Grievance Policy, a business day is defined to mean normal operating hours, Monday through Friday, excluding recognized national and state holidays and CBC closings.

Timelines may be modified in cases where information is not clear, judged to be incomplete, relevant parties are not available for interview, and/or other related circumstances as may arise. In the event that this step is necessary, the Coordinator and Investigator will notify the complainant who filed the grievance in writing within the set timeline.

No Retaliation

Retaliation against any person who files a complaint of discrimination, participates in an investigation, or opposes a discriminatory employment or educational practice or policy is prohibited by CBC policy and federal and state law. A person who believes retaliation has occurred should notify the Title IX Coordinator as soon as possible.

False Reports

Central Baptist College will not tolerate intentional false reporting of incidents. It is a violation of the student handbook governing CBC to make an intentionally false report of any policy violation, and it may also violate state criminal statutes and civil defamation laws.

Office of Civil Rights Complaint

Although complainants are encouraged to attempt to resolve complaints pertaining to discrimination by utilizing this Grievance Procedure, they have the right to file a complaint directly with the U.S. Department of Education, Office for Civil Rights (OCR) (Dallas regional office). Information regarding applicable timelines and procedures is available from OCR.

Effective Date

This Complaint and Grievance Policy will be effective upon formal adoption. CBC reserves the right to make changes and amendments to this policy and procedure as needed, with appropriate notice to the community.

Statement for the Prevention of Drug and Alcohol Use and Abuse

CBC maintains the standard that no enrolled student is to consume alcohol as a beverage, use illegal drugs, or misuse over the counter medications at any time, on or off campus. Such use will result in disciplinary probation, suspension, or dismissal. A detailed explanation of this policy and the consequences of failure to adhere to these standards are given later in this Student Handbook.

The College provides free counseling services to students through the Campus Chaplain who is licensed, certified, and experienced in drug and alcohol counseling and rehabilitation. Students are responsible for the cost of any off campus counseling or rehabilitation program.

Drug Free Workplace Policy

Central Baptist College is a drug-free workplace. The unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is strictly forbidden. Since any breach of this policy would violate civil law and spiritual principle, students violating this policy could face immediate suspension. If needed, the College can make referrals regarding drug counseling, rehabilitation programs, or other assistance programs.

Legal Standards

All laws of the nation, state and local community are to be obeyed. The only exception to this submission to legally constituted authority would be the rare occasion when obedience to civil authorities would require disobedience to God. In such case, individuals must be prepared to submit to the civil penalty for such behavior. In all cases of violation of federal, state or local laws, CBC reserves the right to proceed with its own disciplinary action independent of governmental charges or prosecutions. Students who have serious or repeated minor difficulties with state, local or campus law enforcement authorities may warrant disciplinary action.

It is the responsibility of the College to inform enrolled students of the following:
